Week 28: Spring Break

Week 29-**Viking Visits**: Learner Resume Catch Up and Work Day

-Students have the opportunity to begin compiling their Learner Resumes. They will continue working diligently until completing their resumes in preparation for Viking Visits with parents/guardians. They will then begin practicing presenting their resumes with one another.

*On Monday, April 6th, all fifth grade students should have brought a letter home stating a date and time that their Viking Visit will be held. If a parent/guardian needs to reschedule, please contact myself at bpeterson@gibraltar.k12.wi.us or 920.868.3284 ext. 288 and I would be happy to reschedule.
