Week 8-11: Conflict Resolution Posters

-Fourth and fifth graders had the opportunity to create their own posters based on Kelso's Choices poster, conflict resolution. Teachers will be voting for the top three posters this week. Look for the winning poster on the Viking Way Newscast #6 and in the dining room! Students accomplished quite a bit in a very limited time frame. [Ask your child which idea/theme his/her team came up with!](#)
