

Fifth Grade

***Look for the blue writing for at home tips!**

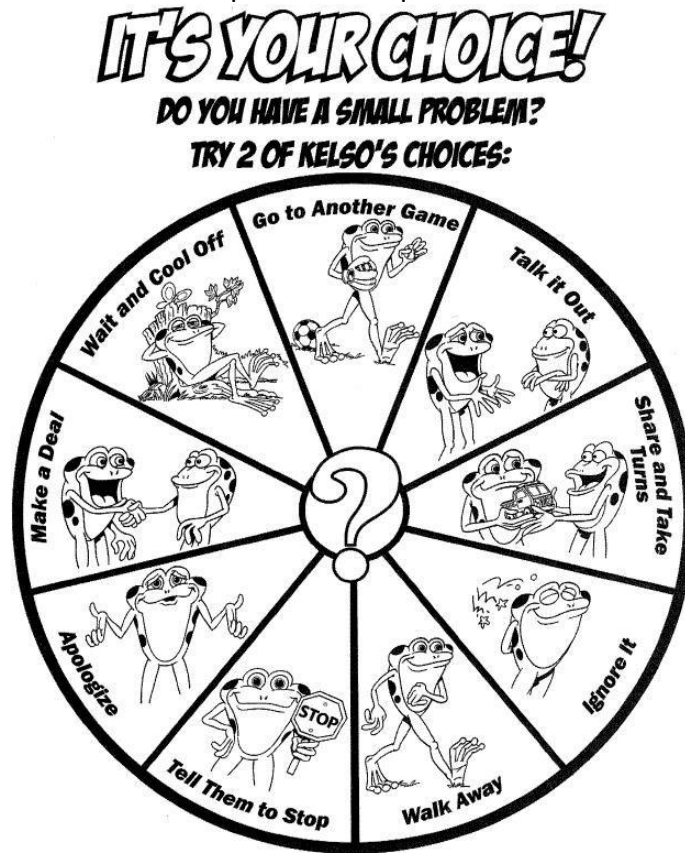

Week 8-10: **Conflict Resolution Posters**

-Fifth and fourth graders had the opportunity to create their own posters based on Kelso's Choices poster, conflict resolution. Teachers will be voting for the top three posters this week. Look for the winning poster on the Viking Way Newscast #6 and in the dining room! Students accomplished quite a bit in a very limited time frame. **Ask your child which idea/theme his/her team came up with!**

Week 11: **Keys to Success**

-Fifth graders begin working on activities that will be a part of Viking Visit Conferences in the Spring. Viking Visits are a way for parents to connect with their child and the counselor on activities students complete over the course of their fifth grade year that can help them be more successful learners. Activities are compiled on a two sided piece of paper called a "Learner Resume." This week students complete three fun quizzes to raise awareness of very basic but essential "Keys to success": Following directions, concentrating, and focusing.

-At home: Ask your child to show you one of the quizzes he/she did and try taking the quiz. Ask your child what he/she believes is the point of the quiz.

**IF YOU HAVE A BIG PROBLEM,
TELL AN ADULT YOU TRUST.**
